

**Do you live with a heart condition called
Heart Failure?**

This means that your heart pump is weak

We want to find out what questions you have to help people who have problems with their heart pump.

A survey form titled "Questions" is shown. It features two teal speech bubbles with white question marks. Below the title, the question "1. What do you think about it?" is followed by three radio button options: "Good", "Bad", and "Not sure". A hand holding a black pen is shown marking the "Not sure" option with a blue checkmark.

Questions

1. What do you think about it?

Good

Bad

Not sure
